SMART QUOTE

TRY THIS

After you've shared a key idea with your learners get them to tell it to three other people in less than a minute. This can be around their table/desk or by moving around the classroom – whatever works best for you. Revise and consolidate learning in this way.

A GOOD READ

99 Ways to Tell a Story by Matt Madden

See the same short story drawn in 99 different ways – engaging for all ages

A GOOD SURF
